

## work experience

### Higher education research assistant

#### Deutsche Bundesstiftung Umwelt - Hochschule Wismar

02/2019 - 02/2020 Wismar, Germany

Research stay in Germany focused on exploring BIM software Archicad and Cross Laminated Timber. During my research stay, I have organized a BIM learning workshop, co-organized small venues for students, wrote an article about wooden high-rises that was published in a Czech magazine INTRO and have become DGNB Registered Professional.

### Junior Architect at 3AE s.r.o.

09/2018 - 12/2018 Prague, Czech republic

Work experience in one of the leading companies in the field of modern wooden architecture. Specialization on CLT, collaboration with Czech company Novatop. I took part in the sales department in the presentation of the company and also designed three houses for company Novahome, sub-company focused on type houses.

### Junior Architect at Acrea ltd.

06/2017 - 09/2017 Bratislava, Slovakia

Work experience in one of the leading companies of implementing BIM design process in Slovakia. The main task of my work was creating BIM models, project documentation and architectural details in Archicad. This work experience deepened my knowledge of BIM modeling and built up my teamwork skills.
